

Scholarships/Becas

For ALL Students Regardless of Immigration Status
Para TODO estudiante sin importar su estatus inmigratorio

Last updated 3/2007

We encourage all students to seek private scholarships for their educational expenses. Please keep in mind that in order to qualify for state and federal financial aid, students must be legal permanent residents or citizens. If a student is not yet a legal permanent resident, they should look to private scholarships to help with educational expenses. The majority of the scholarships on this list do not require a social security number, legal residency, or citizenship. As a general rule, if an application asks for your social security number and you do not have one yet, leave that space blank but fill out and turn in the application. Lying about your legal status or providing a false social security is a federal offense. Family savings and fundraising can also supplement educational costs.

****Contact each scholarship provider for applications and details about updated requirements and deadlines****

*****Póngase en contacto con el proveedor de cada beca para investigar los requisitos y plazos vigentes*****

Recomendamos que todos los estudiantes busquen becas privadas. Por favor consideran que la ayuda financiera de los gobiernos estatales y federal están disponible para los residentes legales y ciudadanos solamente. Si algún estudiante aun no es residente legal, es importante buscar becas privadas para ayudar con los costos educativos. La mayoría de las becas en esta lista no requieren ni seguro social, ni residencia legal, ni ciudadanía. En general, si llenas una aplicación que pide tu número de seguro social y aún no tienes uno, entonces deja ese espacio en blanco, pero llena la aplicación y entrégala. Mentir sobre tu estatus inmigratorio o proveer un seguro falso es un crimen federal. Los ahorros familiares y recaudación de fondos también son recomendables para todo estudiante.
