It's that time of year again...HOMECOMING!

And as part of this annual celebration, departments are invited to decorate their offices to help turn the campus blue! Our judges will be judging on Dec. 4, 2013 using the following criteria:

- 50 points: Theme and Logo
- 50 points: The Mastodon and university logos
- 25 points: The sport of basketball
- 25 points: The use of basketball players and coaches

TOTAL: 150 points

BONUS: 50 points for Homemade/Handmade Items

REMEMBER!
We have two trophies! One for a department with more than 15 employees and one for a department with less than 14 employees. And we go by the number of total employees, not just the ones that decorate!

Employees are reminded that while they are encouraged to support Homecoming by decorating hallways, offices, etc., the use of University funds to purchase decorations and decorating materials should be used on a limited basis. Be creative and inventive, particularly in these tight budget times. Please be very prudent in your expenditures.
