Walt Branson called the fifty-fifth meeting of the Committee to order at 9:00 in ET 206. Other members present: Tiff Adkins, Deb Conklin, Jack Dahl, Jim Ferguson, Susan Hannah, Bob Kostrubanic, Edna Neal, Judie Violette, Gerard Voland, and John Wellington.

Approval of Minutes

Minutes from the October 16 meeting were approved.

Expansion of Wireless Access

Bob Kostrubanic distributed a status report of current areas of access and plans for additional areas that will be available by December. IT Services is also working with Indiana Data Center on use of the KT tower as a link to their center for wireless access. The tower would extend wireless service to near-by, but off-campus areas. Susan Hannah agreed to develop a strategy for publicizing the new service. Information for students will also be added to the ITS web site.

WebCT/Vista Problems and Status

Bob Kostrubanic summarized the recent problems with access to WebCT and noted that the staff had made extraordinary efforts to resolve the problem and help individual users recover their materials. Instructors have also been reminded of their own responsibilities for maintaining backup files. The move to Vista should allow for quicker resolution of problems.

Establishing a local Vista server would cost $150-300,000 and would also require upgrading the link to West Lafayette. A report on possible arrangements will be presented at the next meeting.

Purdue Enterprise System

Discussions are underway to find a less expensive enterprise system and to develop an implementation plan.

Library Systems Update

Judie Violette reported that the library is implementing the new Direct Request system for delivery of materials from other IU libraries. The new process is considered to be 'direct lending' rather than 'document delivery.'
Progress Reports

Warsaw Center Computer Lab:
Bob Kostrubanic reported that final arrangements for the lab are being made.

Fine Arts Building Labs
Bob Kostrubanic reported that the wiring upgrade for the labs should be finished by December.

Future Agenda Items

Review of IT Services Strategic Plan and progress
