7. **New business:** There was no new business.

8. **Committee reports "for information only":** Agenda Committee SR No. 82-1) – (W.
Frederick):

   W. Frederick reported that, at the request of the Rules Committee and E. Nicholson, the
   Agenda Committee has invited one representative each from Medical Education and the
   I.U. School of Dentistry to attend Senate meetings. The representatives will be accorded
   speaking, non-voting privileges. It is hoped that the Bylaws will be amended to make this
   a permanent arrangement.

   W. Frederick also mentioned that some of the Bylaws which were distributed at the
   beginning of the fall semester contained two page 9's back-to-back in place of a page 9
   and a page 10. Corrected copies of the Bylaws are available from Barb Blauvelt.

9. **General good and welfare of the University:**

   a. A. Finco and M. Downs commented on the letter faculty members would soon be
      receiving from them soliciting money for the Library Endowment. A. Finco
      indicated that the goal in mind for faculty contributions over a three-year period
      is $100,000, which averages out to about $100 a year for three years from each
      faculty member. They both indicated that they feel this is a very worthy cause and
      feel confident that faculty members will contribute what they can to the drive.

   b. E. Leonard asked if it was true Continuing Education had lost money during the
      last fiscal year, and, if so, if the deficit is being made up out of general fund
      revenues and detracting from "academic programs, library resources, and all those
      kinds of things."
J. Giusti said that two years ago E. Nicholson began a reorganization and reorientation of Continuing Education. He said that at that time E. Nicholson told him it would take about two, and at the most three, years until Continuing Education would reach its goal of a self-sustaining budget. He indicated there had been a draw on the reserves of approximately $30,000 in the past year, on a gross of "somewhere near $465,000."

J. Carnaghi added that no general fund money had been used for Continuing Education last year, and that there is no intention of having Continuing Education draw on the general fund this year. He indicated that the reserves had been created by Continuing Education profits in past years.

M. Downs said he felt it would be a good idea, as J. Giusti suggested, to have the Agenda Committee schedule a report by E. Nicholson and the Continuing Education Advisory Subcommittee at some future Senate meeting.

J. Giusti mentioned that J. Carnaghi is preparing the campus budget so it can be sent to the library for anyone wishing to look at it.

c. As a result of his meeting with the university presidents, J. Giusti offered five points of information concerning Senate Document SD 82-1 (Athletic Conference Membership).

1. University policies do not preclude regional campus athletic conference membership, but financial and system-wide ramifications need further consideration. The presidents do want to make absolutely certain that anything we do here would not in any way impinge upon Bloomington's or West Lafayette's athletic programs.

2. The presidents will meet to consider the matter further during the first week of November. During the interim, they will talk to their individual athletic directors and answer some of the questions they have. The letter of intent can be sent in at any time. There was and is no deadline of September 25.

3. Until an actual application, not just a letter of intent, has been filed, those doing recruitment must be careful not to promise prospective players that IPFW will be in the Great Lakes Valley Conference.

4. The presidents requested that we supply detailed information on financing athletics before we file an application in the fall. We told them we would-be able to supply the requested information.

5. J. Giusti has asked J. Carnaghi to develop a system for gathering this information. He has met with the Subcommittee on Athletics and all have agreed to keep in close communication with each other. J. Carnaghi has been invited to attend the meetings of the Subcommittee on Athletics.

The meeting adjourned at 12:21 p.m.
Respectfully submitted,

Barbara Blauvelt Secretary
