Acta

1. Call to order: J. Lantz called the meeting to order at 12:01 p.m.

2. Approval of the minutes of December 12, 1988: The minutes were approved as written.

3. Acceptance of the agenda:

   J. Owen moved acceptance of the agenda as distributed. Seconded.

   The agenda was accepted as distributed.

4. Reports of the Speakers of the Faculties:

   a. Indiana University:

      M. Downs had no report.

   b. Purdue University:

      K. Stevenson: A week ago we sent to President Beering a list of ten Indiana University faculty and ten Purdue University faculty from which he could select the members that he wanted to serve on the Chancellor's Selection Advisory Committee. About an hour and a half ago, I received a letter from President Beering. It was addressed to Professor Peter Zonakis and me and it reads as follows:

      I very much appreciate your willingness to assume the co-chairmanship of the Fort Wayne Chancellor's Selection Advisory Committee. With a copy of this letter I am asking the following individuals to serve with you: John Bell, John Carnaghi, Ronald C. Emery, Julie Hook, Pauline Hunsberger, Maynard G. Mansfield, Jeanne Miller, C. Jack Quinn, Richard N. Ramsey, Paul E. Shaffer, Timothy Smith, Roberta A. Tierney, Kathy K. Trier, Rebecca Reece Williams. I am further requesting that Mr. John Carnaghi serve as secretary to provide the committee with administrative and
clerical support. I would like you to complete the deliberations in a timely manner so as to furnish me with your recommendations no later than March 10, 1989. If you will work with my office to set a mutually convenient time, I shall join you for the first meeting of the committee. Sincerely, Steven C. Beering.

You will note that there are 5 faculty from IU on this committee and 5 faculty from Purdue. There are two people from the community: Jeanne Miller, who is the president of the Indiana Bar Association; and Paul Shaffer, who is the chairman and chief executive officer of Fort Wayne National Bank. There are two people from the administrative and clerical and service staff: Julie Hook, who is the Administrative Council president; and Rebecca Reece Williams, who is president of CSSAC. And there is one student, Timothy Smith, who is the student-body president. There are 16 people on the committee.

5. Report of the Presiding Officer.

J. Lantz: First of all let me give you our enrollment report for the spring semester: The headcount is 10,340. The headcount last spring was 10,086. That is an increase of 254 students, or 2.5%. Our credit hours for spring of 1989 is 83,480 compared to last spring of 79,910--an increase of 3,570, or 4.5%. This is a record headcount for a spring semester and it is the record in credit hours over spring of 1983, which was the highest credit hour that we have ever have. If you will remember, our fall headcount was a record, but our credit hours were not a record. That was the fall of 1982. It is interesting that even with all of the adjustments and additions and so forth that everybody made in our class offerings, that we still closed over 20% of our classes. You will remember that in the fall we closed about one-third of our classes, and we asked schools and divisions and departments and so forth to take a very hard look at that. They did some changing so that we could meet the students' needs, and they are to be complimented on what they did, and it helped. I guess what I'm trying to say to you is that we still have a space problem. I do want to thank all of you--Student Affairs, Academic Affairs, schools and divisions, faculty--all are obviously working very hard to keep our enrollment up and to retain our students.

I would also call to your attention that our men's and women's basketball teams are doing very well. We had the honor, for a short period of time, of being the only undefeated [men's] team in the state. When that got some press, I was a little concerned. That always seems to me to be a bad omen, and I was right, but, anyway, we are back on track.

The Fort Wayne Future report was released to the public on December 28. It did receive some very good press. I have one copy which I have been circulating. There are two copies in the Helmke Library. We have had several groups that have asked for copies of the report. I have called the Fort Wayne Future office; they do not have any more copies of the report. They have given us permission to copy the report. . . We are going to make 50 copies....
Our 25th Anniversary Committee has been working very diligently, and we have plans for banners, a newspaper tabloid, and a campus birthday party which will happen on Friday, September 15. On Monday, September 18, we hope to have a gala kicking off our 25th-anniversary year. The foundation committee meets the next day, and the Senate Agenda Committee has invited both Presidents Beering and Ehrlich to be the convocation speakers, which will follow the foundation meeting at noon. You will hear more about that. Tentatively that evening, Shirley Chisholm will be the first speaker at our Arts and Sciences series that will go on during our 25th-anniversary year. There are lots of good plans and, if we get enough money, we'll pay for all of it. If you would like a more detailed report of our anniversary celebration plans, I would be happy to invite Professor Clifford Scott, who is the chair of that committee, to the Senate to give you a briefing.

There is to be a pilot course on U.S. minorities.... Our campus's representative is Mary Helen Thuente (see Senate Reference No. 88-12, attached).

I have asked Linda Balthaser to give us an update on the North Central Study.

L. Balthaser: As we indicated earlier, a survey was being prepared and you all should, today, receive your copies of the questionnaire. Some of you may have received it by now, and the rest of them are being distributed. Following the meeting with the Senate, we will also have the opportunity to present an update to the Administrative Council and the Clerical and Service Staff Advisory Committee. We are continuing in our effort to have everyone aware of what's going on. We do encourage everyone to please take the time to fill out the questionnaire. Information we are asking for in the questionnaire is information we can get no other way. We very much appreciate your cooperation.

J. Lantz: I would also like to announce that we made a presentation to the Education Committee of the Chamber of Commerce, Fort Wayne Future, and the area legislators regarding our request from the Indiana legislature. The Chamber has adopted the resolution that the priorities for northeastern Indiana will focus on higher education at Indiana University-Purdue University at Fort Wayne and flood control. So we are in the only two priorities--the top one of the two, in fact, that the Chamber of Commerce has endorsed. They sent to all of their members a more detailed synopsis about our space, our medical school, our warehouse/printing facility, theatre, and, then, flood control. I just want you to know we certainly have the support of our Chamber of Commerce and much of the community on our request before the legislature.

On January 3 I sent to each of the schools and divisions an announcement asking them to elect people to the Curriculum Review Subcommittee and the Graduate Subcommittee that were approved by this Senate. I hope you will be tending to that. There is also one amendment which is under "New Business" today which will come to us.
