Meeting

April 15th, 2009
9:30-10:30 AM Student Government Conference Room, Walb 227

In attendance: Chris Douse, Roxanne Kingsbury, Corrie Fox, Susan Byers, Mandi Witkovsky, Kelly Klinker, and Ashley McArdle.

Meeting called to order at 9:34 AM

The meeting began with a presentation by Amanda from Sam’s Club about Group memberships

- If we get 50 people who are interested or already have Sam’s club memberships, the cost of a year’s membership would be $30.00 a year (prorated on the second year for those who already have memberships)
- We could also do a partnership membership, but this option is only for a specific set of 12 weeks during the year.
- We need to attend a special “IPFW Open House” at Sam’s Club on a day that we designate to get signed up for this deal.
- There will be more information coming to Faculty and Staff about this if there is interest.
- Another interesting fact: You can go online and order or fax an order to Sam’s Club and someone will pull your merchandise and have it waiting for you when you arrive to pay!

Recognition Luncheon/Banquet

- A Committee of APSAC and CSSAC representatives is hard at work for this event!
- Walb Ballroom has been reserved for April 22nd, this is the decided joint event date. It will still take place between 12-1:30.
- Format will be slightly different so attendees and honorees are encouraged to pay close attention to the schedule and arrive promptly at 12 (if not a bit earlier).
- The invitations and reminders have gone out and attendees should have registered by the 15th at 5:00 PM
- APSAC Steering Committee will be at the event greeting attendees and directing the crowds

Professional Development

- We had one request for a Professional Development Scholarship and the request was granted for half of the amount requested ($100.00)
APSAC Elections

- The voting was done on-line using Qualtrics
- Voting lasted two weeks
- Winners are:
  - Daysha Jackson, President-Elect
  - Jennifer Roherty, At-Large Representative
  - Mandi Witkovsky, At-Large Representative

Purdue APSAC

- Susan gave an update of the most recent Purdue APSAC meeting and the university is looking at new retirement plan options. There will be a meeting April 21st from 1:30-3:00 on the West Lafayette campus to discuss the changes, and there will be more information to come from Susan about the changes and a possible video connection to the meeting for IPFW employees.

Hot Topics

- University Council met and discussed the budget (more information to come) and gave a construction update (the construction will last for approximately 33 months).

Meeting adjourned at 10:30 AM

Respectfully Submitted by Corrie Fox, Secretary
