### Required Courses (57 credits)

#### Year/Term (total credits)  
**FIRST YEAR**  
**FALL** (12 CR)  
- RADX-R105 2 Orientation to Radiography/Medical Imaging  
- RADX-R106 2 Fundamentals of Patient Care for Med Imaging  
- RADX-R111 3 Radiography I with Lab  
- RADX-R190 2 Introduction to Clinical Education  
- RADX-R270 3 Radiologic Physics  
**SPRING** (12 CR)  
- RADX-R191 3 Clinical Education I  
- RADX-R211 3 Radiography II with Lab  
- RADX-R271 3 Foundations of Image Acquisition  
- RADX-R304 3 Cross Sectional Anatomy  
**SUMMER I** (2 CR)  
- RADX-R192 2 Clinical Education II  
**SUMMER II** (2 CR)  
- RADX-R291 2 Clinical Education III  
**SECOND YEAR**  
**FALL** (14 CR)  
- RADX-R206 2 Advanced Patient Care in Medical Imaging  
- RADX-R215 3 Medical Imaging Modalities  
- RADX-R255 3 Radiation Biology/Protection in Radiography  
- RADX-R292 3 Clinical Education IV  
- RADX-R371 3 Advanced Image Acquisition  
**SPRING** (15 CR)  
- RADX-R293 3 Clinical Education V  
- RADX-R305 3 Radiography Image Critique  
- RADX-R306 3 Radiography Pathology  
- RADX-R310 3 Seminar in Radiography  
- RADX-R401 3 Legal Issues Imaging  

*Course sequence subject to change at the discretion of the Radiography Chair.*
Associate of Science in Radiography

Indiana University Purdue University Fort Wayne
College of Health and Human Services
Cheryl Duncan, M.S., RT(R)(QM), Department Chair
(260) 481-0511

Academic Advisor:
Greg Anderson
Ph: (260) 481-0145
Email: anderson@ipfw.edu

Application requirements include:

- Submission of completed application and supporting materials by March 1 for desired entry the following Fall. (January is the recommended month to apply.)
- Successful completion of each prerequisite course by Spring semester.
- Minimum 2.70 prerequisite GPA required at the time of application.
- A grade of C- or better is required in each prerequisite course. Two graded attempts are permitted. The most recent attempt is used in prerequisite GPA calculation.
- Anatomy and Physiology with lab, Algebra/Trigonometry, and Medical Terminology courses must be completed within 5 years of admission to the program.

Admission to the professional program is competitive and is based on the following:

- Prerequisite grade point average
- Applicant recommendation forms
- Pre-admission test
- Pre-admission interview

* For additional program information go to: www.ipfw.edu/hhs/radiography/

Preparation for application and documentation of completed prerequisites:
Transfer credits from other colleges/universities will be accepted by IPFW based on regional accreditation standards. It is YOUR RESPONSIBILITY to provide official transcripts from ALL other colleges/universities to the IPFW Admissions Office. Only credits from courses with grades of C- or better will be transferred to IPFW. However, the Admissions Committee uses all grades, including grades below C- in IPFW and transfer courses, for program admission decisions. Official transcripts from transfer universities and unofficial transcripts from IPFW must also be included with your application and submitted to the Department of Radiography.

Preparation for pre-admission test:
The pre-admission test covers general concepts in Science and Math. Recommended study guides include the HESI and/or the ACT Test Study Guide. The HESI Study Guide is available at the IPFW Follett's Bookstore.

Preparation for pre-admission interview:
You may wish to explore the career through job shadowing. Call: Nancy Weikel (260) 373-7222 or go to: www.parkview.com (type Job Shadowing in the Search box)
Websites to help explore radiography (additional sites also on our website):

Criminal record checks are a College of Health and Human Services and Radiography program requirement. Admission to the professional radiography program requires students to truthfully answer if a criminal history exists. A criminal record may be grounds for denial of admission. Determination of program eligibility is made on a case by case basis. American Registry of Radiologic Technology (ARRT) exams, required for radiographers to practice, are not guaranteed to be available to graduates with a criminal history.

Request an application for admission from:
CHHS Student Success Center, Neff Hall, Room 120
Or Find online at: www.ipfw.edu/hhs/radiography/
Under “Application Forms” tab

Revised 7/14/14
