INDIANA UNIVERSITY-PURDUE UNIVERSITY FORT WAYNE
ELECTRONIC MESSAGE BOARD POLICY

In order to promote campus events to the campus community, Indiana University-Purdue University Fort Wayne provides the electronic message board (EMB) for free communication of events to the campus. The EMB will be used to display announcements of university events, including those sponsored by student organizations, athletics, continuing studies, and other campus entities.

Prospective users are encouraged to use a variety of communications media for announcing events rather than relying solely on the EMB. Users are also cautioned that the university offers no guarantee with respect to the appearance of any messages on the EMB. Appearance of messages is subject to constraints of priorities and electronic or mechanical limitations. The number of messages which can appear in any given time period is limited, and precedence will be given to the earliest messages submitted, and to those with a higher priority. Messages may be edited for clarity and conformity to standards. Message content must comply with existing university policies and procedures.

REGULATIONS
1. Messages must be typed or printed plainly and submitted on an EMB form. Messages must be submitted to the Kettler Hall Information Desk two weeks prior to the first day they are to appear.
