“Being a part of a cohort was a beneficial experience. I felt that the program at IPFW provided me with the instruction I needed to successfully take the Principal Licensure test, as well as, prepare me for my position as a principal. Reflective thinking has helped me lead in a positive and powerful way in my school, and my district.”
DaNene Neff, Principal Washington Elementary School, FWCS. IPFW Alum

This sample schedule serves as an example of program progression. Official class schedules by semester are provided on the IPFW website.
