Applicant Name: ______________________

Application Date: ______________________

To assist with processing your application please fill out and submit this form to biology@ipfw.edu by the intended deadline:

- For domestic students who wish to be considered for a teaching assistantship: February 15 for admission in the fall semester, or August 15 for admission in the spring semester
- For domestic students who are not applying for a teaching assistantship: April 15 for admission in the fall semester, or October 15 for admission in the spring semester
- For all international students applying from abroad: February 15 for admission in the fall semester and August 15 for admission in the spring semester

For questions, please refer to the Biology Graduate Programs Handbook or contact the Biology Graduate Program Director at biology@ipfw.edu.

Do you intend to pursue a thesis or non-thesis Master’s degree in the Department of Biology?

___ Thesis  ___ Non-thesis

Would you like to be considered for a teaching assistantship position? Please note that teaching assistantships are typically not granted to non-thesis students.

___ Yes  ___ No

Please identify a potential faculty mentor from the Department of Biology; you may list more than one in order of preference (more than one is not required). A list of the Biology faculty and their research interests are included in the Biology Graduate Programs Handbook and may also be viewed on the Biology Department’s Web site (https://www.ipfw.edu/biology). You are encouraged to contact your preferred faculty mentor(s) prior to applying in order to determine the level of support and potential projects available.

(Required) 1. ______________________

(Optional) 2. ______________________
