As a student, an externship through IPFW Career Services may be the smartest thing you can do over spring, summer, fall, or winter break. It’s a great, fast, and efficient way to explore a career.

Externships are a combination of a job shadow and mini-internship. Invest just two to five days and move yourself one step closer to your goal. You can find mentors and establish professional connections.

It's easy!

Check out IPFW JobZone at ipfw.edu/jobzone to find out which companies are participating.

Application deadlines: SPRING: 1st week of February SUMMER: 2nd week of July FALL: 2nd week of September WINTER: 1st week of December
