

# Learning Community Proposal Form

1. Contact Person(s)

Email

Phone

_____	_____	_____
_____	_____	_____
_____	_____	_____

2. Linked courses or other learning experience(s) that comprise this LC

Course #	Sec. #	Title	Cr.	Days	Time	Instructor

3. Why do you want the course(s) to be a part of the First Year Experience?

**4. What assignments and other activities are planned to address FYE’s curricular goals for creating engaged learners? (Include co-curricular activities if applicable)**

Goal	Will be Addressed by:
1. Finding and evaluating information (print, electronic) for academic and personal use	
2. Effective use of technology skills to support learning	
3. Writing assignments that encourage reflection on one’s learning and reinforce learning	
4. Connecting academic disciplines to students’ family, work and social lives	
5. Connecting students to IPFW resources for academic, social & personal enrichment	

**5. What goals specific to the individual course(s) have been identified by the instructor(s) and other members of the instructional team, and how will they be assessed?**

Goals	Desired Learning Outcomes	Assessment Measure(s)

**6. Provide a brief (50 word) description of your FYE contribution for use in recruitment.**

**7. The instructor of each linked course is asked to sign here to indicate that they have read and agree to the following expectations:**

- Attend several training workshops (tentatively January, March, May and August)
- Meet on a regular basis with their instructional team to coordinate and plan meaningful collaborations among the various elements of the community
- Maintain a portfolio of activities, assignments, assessments, etc., to document what was successful (or not) about their particular community
