Please list the course in which you would like to enroll (For example; CRN #12345 Econ E201-02):

Comments: _____

I have verified course equivalencies between IPFW course/s and my home campus and have, if required, earned credit in the prerequisite courses at my home campus for this course or courses at IPFW. I understand that I am responsible for the class choice/s that I have made. I will not hold IPFW responsible if I do not have the appropriate preparation for the course/s or if the course/s in which I have chosen to enroll will not meet degree requirements at my home campus. I also agree that if I find out that I am not prepared for this course, I will withdraw from the course by the full refund deadline that is printed in the Schedule of Classes.

I agree

An advisor will process your request within two business days. You may be asked to provide a current transcript from your home campus.
