

Lutheran Health Network

Student Orientation 2009

Welcome to the Lutheran Health Network. Our goal is to provide you with an excellent learning experience that will support your chosen career. In preparation for your time at our hospitals, you must complete and provide the following information to your school. This is essential to ensure that you meet the needed requirements to assist us in maintaining a safe environment and care for our patients, staff and guests.

To complete the orientation requirements go to our website
www.lutheranhospital.com/education/

User Name: lhnstudent

Password: access09

You are required to review information in brackets below and complete two tests and sign two agreements as part of orientation. These documents must be returned to your school. The time to complete the requirements is approximately 3 1/2 hours. Carefully review the General Information and Substance Abuse Testing link. If you have questions call 435-7453.

Requirements:

- Hospital Orientation (Test)
- HIPAA Basic Security
- 2008 General Compliance Training
- Harassment Video
- Confidentiality Video
- Code of Conduct (Agreement)
