JOIN THE NEW MASTODON ALUMNI ASSOCIATION

We are the Dons! Remarkable, formidable, resourceful, and determined. Able to overcome enormous challenges by instinct, intelligence, and sheer determination. Loyal to our roots and remembering where we came from. Fiercely competitive and standing strong to face any challenge. Caring and engaged to support the next generation. This is the heart and spirit of the Mastodon.

At the Mastodon Roast in October, we proudly announced the new Mastodon Alumni Association. This local, independent association **unites the more than 59,000 current graduates** of IPFW with all of our future graduates. Dues from the Mastodon Alumni Association stay in Fort Wayne, directly benefiting our students, our campus, and our community while building a strong network of alumni and friends.
