

College of Arts and Sciences

Annual Report for
Calendar Year 2008

March 18, 2009

Marc J. Lipman
Dean/Director

| Section | Statement |
|-----------|---|
| A-Mission | <p>The College of Arts and Sciences is committed to offering its students a rich and diverse liberal education. The largest academic unit of the university, the College provides students with a breadth of knowledge about the global environment and fosters an appreciation and respect for diversity. Arts and Sciences equips students to think critically, communicate effectively, and develop creative solutions to future challenges. The College cultivates the intellectual growth of its faculty, who dedicate themselves through excellence in teaching, research and creative endeavor, and service to the university and to the larger communities of which they are a part.</p> |

| Section | University Strategic Goals | College Goals | List of 2008 Activities and Accomplishments | Bottom Line Metrics (Show at least 2 years of data) |
|----------------|--|--|---|---|
| B-Goals | 1. Foster Learning and Create Knowledge | Create a world class, teaching-centered faculty | BIOL - Shree Dhawale and Arlis LaMaster completed the production of 14 instructional demonstration video segments for McGraw Hill. | |
| | | | BIOL – Several faculty mentored/supervised/advised students from area high schools regarding research programs and projects. | |
| | | | BIOL - Karen McLellan was nominated for “Who’s Who of American Women” | |
| | | | BIOL - Ahmed Mustafa received the Student’s Choice Award for Excellence in Teaching 2008 by the Student Government Association at IPFW. | |
| | | | BIOL - Frank Paladino received the Leatherback Trust Distinguished Service Award. | |
| | | | BIOL - Frank Paladino received the Chinese Academy of Sciences Distinguished Fellow Award. | |
| | | | BIOL - Bob Gillespie , Director of the Crooked Lake Biological Station , planned departmental courses and for a field class in limnology by Indiana University, Bloomington | |
| | | | BIOL - Frank Paladino is the Vice President of International Conservation NGO, for the Leatherback Trust and The Global Cause Foundation. | |
| | | | | |

| Section | University Strategic Goals | College Goals | List of 2008 Activities and Accomplishments | Bottom Line Metrics (Show at least 2 years of data) |

| | | | SOC – Anson Shupe was awarded the IPFW Outstanding Research Award | |
| | | | | |
| | | Recruit qualified faculty at competitive wages | | |
| | | Maintain participation in IUB Faculty Fellows Program | HIST – Deanna Wooley, Future Faculty Fellow | |
| | | Provide innovative, relevant, rigorous academic programs | The College has a task force which is reviewing the COAS Degree Requirements. These are expected to be voted on at the COAS Convocation in APR 2009. | |
| | | Utilize program review | ILCS – Self Study completed | |
| | | | LBST – completed program review | |

| Section | University Strategic Goals | College Goals | List of 2008 Activities and Accomplishments | Bottom Line Metrics (Show at least 2 years of data) |
|---------|----------------------------|---------------------------|---|---|
| | | Expand graduate education | | |
| | | | BIOL - Winfried Peters resurrected BIOL 566 and BIOL 567 and restructured them with a focus on cellular and molecular mechanisms. | |
| | | | COM – D. Charlesworth, COM 576 “Health Communication” for SUM 2009 | |
| | | | COM – M. Dixson COM 597 Dark Side of Relational Comm, SUM 2008 | |
| | | | COM – I. Mallin COM 557 Legal Comm SUM 2008 | |
| | | | COM – J. Tankel, Communication in Politics, COM 517, for first time since 1996 (essentially a new course) | |
| | | | ENGL – S. Blythe: during Fall 2008, taught a new graduate seminar on genre theory. | |
| | | | ENGL – S.Amidon developed and taught a new graduate Seminar in Critical Theory, ENG-B605, part of the new core in the Master of Arts in English program | |
| | | | ENGL – MA Cain : Continued the service learning component of W462/C682 Creativity and Community in spring 2008, at the Three Rivers Jenbe Ensemble, now part of The Three Rivers Institute of Afrikan Arts and Culture | |

| Section | University Strategic Goals | College Goals | List of 2008 Activities and Accomplishments | Bottom Line Metrics (Show at least 2 years of data) |
|---------|----------------------------|---------------------------------------|--|---|
| | | | ENGL – D. Fleming ENG B612/L305 and ENG B601/L304 new preps | |
| | | | ENGL R. Hile ENG B780 | |
| | | | ENGL – D. Huffman ENG C517 | |
| | | | ENGL/LBST L. Lin, LBST D501 The Novel and the Mystic; Postcolonial Lit & Theory; 20 th C British Women Writers | |
| | | | PHIL-514 “Early Analytic Philosophy” | |
| | | Create new course and degree programs | ANTH –E 470 Psychological Anthropology | |
| | | | ANTH – C. Andres co-designed curriculum for new field school in Belize, available to IPFW students SUM 2009 for training in archaeological field methods and study abroad experience. | |
| | | | ANTH – H. Odden, organized service learning component to ANTH 470 involving shifts at 2008 Healthy Cities Health Fair/Veterans’ Step Down organized by NURS. Involvement will be continued. | |
| | | | BIOL - Frank Paladino taught BIOL 140, Intro to Marine Biology, taking two separate groups of students to the Goldring Marine Lab in Playa Grande Costa Rica as an intensive ten day field laboratory. | |
| | | | COM – A. Dirksen, COM 120 Introduction to Comm Technology and Comm Fields | |

| Section | University Strategic Goals | College Goals | List of 2008 Activities and Accomplishments | Bottom Line Metrics (Show at least 2 years of data) |
|---------|----------------------------|---------------|--|---|
| | | | COM – A. Dircksen, COM 471 Communicating Peace | |
| | | | COM – D.Godwin-Starks, COM 323 Developing Symposiums with Discussion on the Zen | |
| | | | COM – J. Tankel developed Outside Field section of Music With An Outside Field – Audio Recording for Department of Music; developed Advanced Digital Audio Production and Music Production Practicum (COM 491- Spring 2008); taught Advanced Audio Production (as COM 491) in Rhinehart Audio Recording Lab for first time (Spring 2008) | |
| | | | COM A. Colbert (JOUR) working with Hospitality and Tourism to develop curricula for a travel-writing certificate. This will also involve writing a textbook. | |
| | | | GERN – G494 Gerontology Practicum | |
| | | | GERN – G499 Legal and Economic Aspects of Aging | |
| | | | HIST – Erickson, C. T325 20 th C US Women’s History; WOST 400 Senior Seminar | |
| | | | HIST – Livschiz, A. D410 Russian Revolutions & the Soviet Regime | |
| | | | HIST – Weiner, R. T325 History of the Americas | |
| | | | ILCS G320 Roberts, S & L – “Berlin and Beyond” – 15 participants taken to Europe | |

| Section | University Strategic Goals | College Goals | List of 2008 Activities and Accomplishments | Bottom Line Metrics (Show at least 2 years of data) |
|----------------|-----------------------------------|--|--|--|
| | | | ILCS: GER G418 German Film History; G307 Red Tide-Yellow Peril; 0 | |
| | | | MATH – Vandell, R. Introduction to Coding Theory and Cryptography | |
| | | | PHIL - PHIL-493 “Philosophy of Language” | |
| | | | PHIL REL-311 “African Philosophy and Religions” | |
| | | | PHIL - REL–293 “Civil Religion in Africa | |
| | | | PHIL - Islam and Modernity REL 381 | |
| | | | PHIL - Topics in Religious Studies (REL 295) | |
| | | | PHIL - Religion and Violence (REL 314) | |
| | | | SOC – SOC S307 Sociology of Education; SOC S402 The US Empire; and SOC S410 Modern Japanese Society | |
| | | Increase use of technology in instructional delivery | BIOL 220, Microbiology for Health Professions, lecture was taught via internet for the first time in spring 2008 and the laboratory portion of the course was offered face-to-face on Saturday mornings. | |
| | | | CHM – continued to expand use of Blackboard, WebCT, ACE, etc., for on-line access by students | |
| | | | COM – D. Charlesworth developed an Online version of COM 318: Persuasion | |

| Section | University Strategic Goals | College Goals | List of 2008 Activities and Accomplishments | Bottom Line Metrics (Show at least 2 years of data) |
|---------|----------------------------|--|---|---|
| | | | COM A. Colbert (JOUR) developed and offered all the courses needed for a journalism minor available through Continuing Studies' online offerings | |
| | | | COM - A. Dircksen developed online version of COM 251 Intro to Electronic to Mass Media (aka COM 248 Intro to Media Analysis) | |
| | | | COM - A. Dircksen started new responsibilities as Director of Online Communication Courses. | |
| | | | ENGL W. Weller designed and implemented IPFW's first online version of CS 292 – "Moodles, Wikis, Blogs: Harnessing the Power of the Internet for Classroom Management, Critical Thinking, and Cooperative Creativity" | |
| | | | HIST – Gates, B. T325 American Constitutional History online/TV | |
| | | | ILCS Roberts, S. Developed a blog for learners of German (http://allesaufdeutsch.wordpress.com) | more than 3,500 views so far |
| | | | MATH – Coroian, D. – revised on-line MA 229 with DECCO grant support | |
| | | | PHIL - Caseldine-Bracht developed an online critical thinking class | |
| | | Maintain College of Arts and Sciences as the IPFW flagship in learning and discovery | COAS Distinguished Lecturers Program: Alan Sandstrom, (ANTH, IPFW) April 22, 2008 Gary Harper, (DePaul University) October 8, 2008 | |

| Section | University Strategic Goals | College Goals | List of 2008 Activities and Accomplishments | Bottom Line Metrics (Show at least 2 years of data) |
|---------|----------------------------|---------------|---|---|
| | | | ANTH – R. Sutter – web editor for <i>Nahua Newsletter</i> | |
| | | | ANTH - Indiana Archaeology Council. Robert McCullough and Joshua Wells organized the Indiana Archaeology Council Spring Workshop, Strawtown Koteewi Park, Noblesville, IN, April 5, 2008. | |
| | | | COAS – 6 of 7 IPFW Featured Faculty come from the College: J. DiClementi, PSY; Q. Dixie, PHIL; B. Fischer, HIST; C. Lawton, PSY; F. Paladino, BIOL; R. Sutter, ANTH. | |
| | | | BIOL – A. Mustafa represented Northeast Indiana Region in the INTEL/ISEF International Science Fair, Atlanta, GA., May, 2008. | |
| | | | BIOL – A. Mustafa participated as a judge in at the Aquaculture America 2008 Conference, Lake Buena Vista, FL, February 2008. | |
| | | | BIOL - In May 2008, Frank Paladino met with members of the Chinese Academy of Sciences along with IPFW and Purdue faculty who gave presentations on global warming and possible collaborations with the USA and IPFW in global warming issues and the possible effects on endangered species like Pandas. | | | Encourage faculty research productivity | MATH – Walsh, M. received the Pippert Research Scholar Award, a COAS award | |

| Section | University Strategic Goals | College Goals | List of 2008 Activities and Accomplishments | Bottom Line Metrics (Show at least 2 years of data) |
|----------------|---|---|--|---|
| | | Promote Centers of Excellence | ENGL – C. Thompson established a Center of Excellence at IPFW related to endangered languages, The Three Rivers Language Center (http://www.ipfw.edu/trlc) | |
| B-Goals | 2. Develop Quality of Place and Experience | Enhance student success through academics | ANTH club president, Misty Wolfe, named 2008 IPFW Outstanding Student Leader | |
| | | | BIOL – E. Blumenthal serves as faculty athletic representative for IPFW | |
| | | | BIOL - Bob Gillespie , Director of the Crooked Lake Biological Station , planned departmental courses and for a field class in limnology by Indiana University, Bloomington | |
| | | | BIOL 219 was offered for four credits versus three credits for the first time in the fall 2008 semester. The additional lecture time was used to cover a broader range of topics than had been possible in prior years as well as in-class exam review sessions. | |
| | | | BIOL 220, Microbiology for Health Professions, lecture was taught via internet for the first time in spring 2008 and the laboratory portion of the course was offered face-to-face on Saturday mornings. | |
| | | | BIOL - Frank Paladino taught BIOL 140, Intro to Marine Biology, for the first time in Spring 2008. He took two separate groups of students to the Goldring Marine Lab in Playa Grande Costa Rica as an intensive ten day field laboratory. | |

| Section | University Strategic Goals | College Goals | List of 2008 Activities and Accomplishments | Bottom Line Metrics (Show at least 2 years of data) |
|---------|----------------------------|---------------|--|---|
| | | | BIOL - Winfried Peters resurrected BIOL 566 and BIOL 567 and restructured them with a focus on cellular and molecular mechanisms. | |
| | | | Significant interaction between COAS faculty and FYE. Every Learning Community has at least one COAS course. | |
| | | | CHM - A learning community composed of CHM 115 and MA 153 was offered in the fall of 2008; sections of both CHM 104 and CHM 111 were linked to Critical Inquiry classes. | |
| | | | CHM developing CHM 104 online course and Honors versions of CHM 115-116 with offerings in fall 2009 | |
| | | | CHM – continued to expand use of Blackboard, WebCT, ACE, etc., for on-line access by students | |
| | | | COM – J. Roskam: joint project/class for the students at the Communicator and in COM 332, working with Indiana News Center on creating a live news feed from IPFW to their news stations | |
| | | | ENGL R. Hile, ENG L101 Western World Masterpieces I, designated Remnant Trust course, with Remnant Trust grant funds | |

| Section | University Strategic Goals | College Goals | List of 2008 Activities and Accomplishments | Bottom Line Metrics (Show at least 2 years of data) |
|---------|----------------------------|---|--|---|
| | | | ENGL – Crisler.C Summer Bridge Class in conjunction with The Offices of Diversity and Multicultural Affairs and Continuing Studies, six week residentail program with Pat Ashton. Six credits are available to the students if they pass both classes. | |
| | | Expand student research and grant opportunities | ANTH – H. Odden mentored undergraduate research project (M. Wolfe) that resulted in four student presentations | |
| | | | ANTH – R Sutter mentored two students’ research projects that resulted in their presentations at Central States Anthropological Society conference | |
| | | | ANTH – R. McCullough/Arch Survey provided paid employment for 13 students as they learned professional archaeological techniques. | |
| | | | BIOL - Bob Visalli recruited two incoming freshman during the fall 2008 semester into the Chancellor’s Research Communities Program. Internal support for each student and faculty mentor is provided | |
| | | | GEOS –two student presentations given at local/regional scientific meetings | |

| Section | University Strategic Goals | College Goals | List of 2008 Activities and Accomplishments | Bottom Line Metrics (Show at least 2 years of data) |
|---------|----------------------------|--|---|---|
| | | | <p>PSY - Faculty members in the department supervised nearly 50 students in independent research, involving either the student's involvement with the faculty member's research, or the faculty member's supervision of the student's own research, or the student's Honors Thesis. Several students were coauthors on papers presented at scientific meetings.</p> | |
| | | <p>Pursue effective remediation, improve remediation success</p> | <p>AUS – mentored and prepared tutors for conversational partners for English as second language learners</p> | |
| | | | <p>ENGL – S. Blythe Implemented the guided self-placement method for placing students into first-year composition courses. This method should offer minority students a fairer placement method.</p> | |
| | | | <p>ENGL – Crisler.C Summer Bridge Class in conjunction with The Offices of Diversity and Multicultural Affairs and Continuing Studies, six week residential program with Pat Ashton. Six credits are available to the students if they pass both classes.</p> | |
| | | | <p>MATH provides alternative forms of instruction in certain courses to meet the diverse needs of our students. Flex-pace sections are offered in MA 109 and MA 113, and out of class testing sections are offered in MA 109, MA 113, and MA 229</p> | |

| Section | University Strategic Goals | College Goals | List of 2008 Activities and Accomplishments | Bottom Line Metrics (Show at least 2 years of data) |
|---------|----------------------------|---|--|---|
| | | Develop programs to enhance graduation rates and number of majors | A&S departments participated in “Major’s Fair” Sept 2008 | |
| | | | ANTH Club “What Can I Do With a Degree in ANTH?” (R. Sutter) | |
| | | | GERN – G231 Intro to Gerontology offered in a one night/week format to encourage enrollment among working professionals | |
| | | | Significant interaction between COAS faculty and FYE. Every Learning Community has at least one COAS course. | |
| | | | PSY - Young, D Presenter and organizer of the Psychology Department “Employment” Seminar, March 24, 2008 | |
| | | | WOST Career Night in conjunction with Career Services | 14 students attended |
| | | Develop programs to improve retention of first-year students | ENGL – S. Blythe Implemented the guided self-placement method for placing students into first-year composition courses. This method should offer minority students a fairer placement method. | |
| | | | ENGL – Crisler.C Summer Bridge Class in conjunction with The Offices of Diversity and Multicultural Affairs and Continuing Studies, six week residentail program with Pat Ashton. Six credits are available to the students if they pass both classes. | |

| Section | University Strategic Goals | College Goals | List of 2008 Activities and Accomplishments | Bottom Line Metrics (Show at least 2 years of data) |
|---------|----------------------------|--|--|---|
| | | Improve student advising | COM – I. Mallin: "Advising as Teaching." IPFW CELT 12 O'clock Scholars Brown Bag Series, April 2008 "Documenting Student Learning Outcomes in Scholarship and Advising" (with M. Lipman). IPFW Advising Conference, March 2008 | |
| | | | PSY – Bendele, M. and Vartanian, L. advisors for academically at-risk PSY majors | |
| | | | PSY – Young, D. designated advisor for students interested in graduate or professional school | |
| | | | PSY – Young, D. presenter/organizer of PSY Department Graduate School Seminar | |
| | | Enhance academic student organizations | ANTH - Very active Anthropology Club hosts weekly "Forum" | 60-100 attendees weekly |
| | | | AUS – has Speech and Hearing Club and ASL PAH | |
| | | | GEOS - active Geoclub organization | |
| | | | ILCS – Active IPFW French Club | |
| | | | PHIL – PHI-Club has been revived | |
| | | | PHYS – Society of Physics Students, instituted a series of Lunch Lectures on a variety of topics | |
| | | | PSY – Hill, C. and Miller, D. Psychology Club co-advisors | |
| | | | WOST – initiated a student group | |

| Section | University Strategic Goals | College Goals | List of 2008 Activities and Accomplishments | Bottom Line Metrics (Show at least 2 years of data) |
|----------------|-----------------------------------|----------------------|---|--|
| | | Participation in FYE | ANTH E105/COAS-W111 S/F 2008 (D. Kline) | |
| | | | CHM – Fall 2008 CHM 115 Lecture/lab with MA 153: | |
| | | | ENGL - W131 paired with a section of Statistics 125 | |
| | | | MATH – five faculty members participate in the learning communities program | |
| | | | PSY - Dr. Bendele’s Learning Community with PSY 120 included partnerships with ENG W131 and MUS L153. Vartanian, Jackson, & Hill paired COAS W111 with PSY 120. | |
| | | | | |
| | | Civic engagement | AUS – It’s a Deaf, Deaf, Deaf, Deaf World | 75 participants |

| C-Research | 4. Bibliography of notable student accomplishments |
| | ANTH - Misty Wolfe presented her research on pharmaceutical advertising at the 85th Annual Meeting of the Central States Anthropological Society (CSAS) in Indianapolis in March of 2008, and she submitted a paper based on this presentation for the CSAS Student Paper competition. She also presented her research at IPFW's Student Research and Creative Endeavor's Symposium, at which her presentation was selected as first runner-up for best student presentation. This was a particularly notable honor as many of the students presenting work are master's level students. |
| | ANTH - Sara Miller presented paper on dental trait research on prehistoric human remains from Cerro del Oro, Peru, at Midwest Conference on Andean and Amazonian Archaeology and Ethnohistory, and at the Central States Anthropological Society) |
| | ANTH - Christian McPherson presented paper on dental trait research on prehistoric human remains from Marquez, Peru, at the Midwest Conference on Andean and Amazonian Archaeology and Ethnohistory, and at the Central States Anthropological Society |
