Department of Civil & Mechanical Engineering

Position title:
Assistant Professor of First-Year Engineering.

Type of appointment:
Tenure Track/Academic Year

Discipline:
Engineering

Area of Expertise:
Teaching first-year engineering students.

Qualifications/Requirements:
Applicants must hold a Ph.D. in Engineering Education, Civil Engineering or Mechanical Engineering, preference, or a Ph.D. in Engineering with significant experience teaching first-year engineering students. A B.S. degree in an engineering field is required.

Employment is contingent on a satisfactory background records check.

Duties:
The primary responsibilities of this position are related to teaching and advising. In addition, the successful candidate will also produce publishable research in engineering education or closely related areas. The ideal candidate will have experience teaching first-year engineering students and background in best practices for engineering education.
Description of the department:

www.ipfw.edu/cme/

Description and location of the university:

Indiana University–Purdue University Fort Wayne (IPFW) is the largest university in northeast Indiana, offering more than 200 prestigious Indiana University and Purdue University degrees and certificates. More than 13,000 students of diverse ages, races, and nationalities belong to the IPFW family. The 688-acre campus in Fort Wayne is home to nearly 10,000 degree-seeking undergraduate and graduate students. Through IPFW’s partnerships with area high schools, almost 3,300 high school students take dual-credit courses, simultaneously earning both high school and college credits. IPFW is accredited by The Higher Learning Commission of the North Central Association of Colleges and Schools. Learn more about us at ipfw.edu.
