9. On the **Certificate** page as shown below, tap **Accept**.

LTE 4:20

## Accept certificate and connect?

This certificate helps ensure that you're connecting to the genuine IPFW network and not a different one with the same name.

If the names below aren't what you expect, tap Cancel.

Issued to: US, 47405, IN, Bloomington, 900 E. 7th St., IMU M005, Indiana University, ITS, radius2.ipfw.edu

Issued by: InCommon Server CA

accept cancel

10. You are now back to the **Wi-Fi Networks** page, where you should now

see **Connected** above **IPFW Faculty Staff** or **IPFW Student**.

- a. **Note:** Known networks will join automatically. Turn **Ask to Join Networks ON**, to be prompted to join an unknown network when known networks are unavailable.
